

REMARKS

Claims 1-5 and 11-21 are pending; claims 1-4 are rejected; and claims 5 and 11-21 are allowed in this application. Claims 1-4 are cancelled hereby.

Responsive to the rejection of claims 1-4 under 35 U.S.C. § 103(a) as being unpatentable over U.S. Patent No. 2,732,941 (Deiss) in view of U.S. Patent No. 2,537,523 (Frost), Applicant has cancelled claims 1-4. The canceling of claims 1-4 is done without prejudice to the allowability of those claims, but only in order to place the current application in condition for allowance.

Applicant thanks the Examiner for the indication that claims 5 and 11-21 are allowed. The action of canceling rejected claims 1-4 should now place the application in condition for allowance and allow it to proceed to issue.

For the foregoing reasons, Applicant submits that no combination of the cited references teaches, discloses or suggests the subject matter of the amended claims. The pending claims are therefore in condition for allowance, and Applicant respectfully requests withdrawal of all rejections and allowance of the claims.

In the event Applicant has overlooked the need for an extension of time, an additional extension of time, payment of fee, or additional payment of fee, Applicant hereby conditionally petitions therefor and authorizes that any charges be made to Deposit Account No. 20-0095, TAYLOR & AUST, P.C.

Should any question concerning any of the foregoing arise, the Examiner is invited to telephone the undersigned at (260) 897-3400.

Respectfully submitted,

/Max W. Garwood, Reg. No. 47589/
